

Preferred Mechanical Total Solution Provider

5959 South Harlem Avenue
Chicago, IL 60638
773-784-0000

Since 1918 Hayes Mechanical has evolved their expertise in becoming a multi craft union mechanical contractor providing excellent and quality services safely for over 100 years. Our industrial process, HVAC/plumbing, and wastewater treatment divisions allow Hayes to serve as a premier total solution provider to process facilities across the nation. Our proficiency in the following crafts will allow Hayes Mechanical to be the ideal partner in making your next project a success:

- Pipefitters
- Millwrights
- Boilermakers
- Ironworkers
- Operating Engineers
- Plumbers
- Laborers

Our extensive resources have the expertise and experience to manage and perform routine maintenance services as well as complex capital projects within industrial markets such as:

- Power Generation
- Steel Production
- Pulp and Paper
- Food and Beverage
- Pharmaceutical
- Manufacturing
- Petrochemical Plants
- Refining
- Co-Generation

Hayes Mechanical takes pride in being a valued partner to your facility's needs vs just a contractor. Our skilled craftsmen and 120+ years of hands on experience at the executive management level will work hand in hand with you to address cost controls, quality, and safety so that your facility can run at optimal performance. We appreciate your time and consideration and look forward to the opportunity to work with you.
